

MICROSOFT PARTNERSHIP

ISN'T IT TIME YOU USED OFFICE 365 TO ITS FULL POTENTIAL?

Taking our consulting services to the next level through our partnership with Microsoft and utilizing the Office 365 tool, we're helping companies eliminate the use of multiple systems (which can increase your security threat), streamline processes and communication and allow you easy access to every file or folder you need on any device.

Microsoft Excel, PowerPoint & Word

Office 365 integrates productivity tools, security configuration and device management into a singular, best-in-class solution.

Utilizing Word, Excel, PowerPoint and Outlook only grazes the surface of Microsoft's capabilities. Through Office 365's single, integrated IT platform, you can:

- Bring files, resources and conversations together into one place through Teams
- Connect with customers or remote employees through Skype for Business
- Streamline project management with Planner
- Simplify complicated CRM system management through Dynamics 365

Schedule a free assessment with our Microsoft Office 365 team today.

Office 365 includes:

Comes with Office

Stay up-to-date with the latest versions of Word, Excel, PowerPoint, and more.

Email and calendaring

Connect with customers and coworkers using Outlook and Exchange.

File storage

Manage your files from anywhere with 1TB of storage.

Dependability and support

Get 99.9% uptime guaranteed and 24x7 online and phone support.

Safest Windows ever

Get upgraded to Windows 10 Pro from Windows 7 and 8.1 Pro.

Cyberthreat protection

Help protect PCs from malware, viruses, and spyware.

Data protection controls

Help secure business data on personal and company-owned devices.

Administration and deployment

Manage new PCs and devices faster and more easily than ever.

Office 365 is designed to fit businesses of all sizes, and it has the robust technology capabilities to support it. However, our specialty at AG is helping small-to-medium-sized businesses who don't have access to the resources larger corporations have. We like meeting our partners face-to-face, assessing what your company's unique needs are and building a roadmap together to move your business forward.

We'll be your Office 365 expert, so you don't have to be. **Microsoft's business solution:**

- Helps companies achieve more together by better connecting employees, customers and suppliers.
- Empowers employees to get work done from anywhere, on any device.
- Protects company data across devices with always-on security.
- Simplifies the set-up and management of employee devices and services with a single IT console.

Office 365 Evolution

Our partners benefit from the Office 365 application evolution. You already have the software; now it's time to let our team of Microsoft specialists enhance your technology capabilities and simplify your processes.

We guarantee it will change the way you work.

Phase 1

First, we focus on your core foundation when it comes to collaboration and productivity.

- | | |
|------------|-----------------------|
| Word | OneDrive for Business |
| Excel | Outlook |
| PowerPoint | Skype for Business |
| Teams | OneNote |
| SharePoint | Office 365 Licensing |

Phase 2

Next, additional applications are added depending on the unique needs of your business.

- | | |
|-----------|--------------|
| Project | Sway |
| Planner | Dynamics 365 |
| PowerApps | Yammer |
| To Do's | Bookings |
| Power BI | Visio |

Achieve more together

Create, connect, and collaborate with people, inside and outside your company.

Anywhere it matters

Enable your people to be productive anywhere, on their favorite devices.

Always-on security

Help protect your data and devices from one simple dashboard that is always up to date.

Simplified for business

Manage all your IT services in one place and minimize the work so you can focus on what matters: your business.

It's time to leverage the technology you already have (and are paying for), and it's time to empower employees, safeguard your business and simplify IT management. We'll help you start the process today.
